

# SAVE THE DATE!

## Youth Firesetter Intervention Seminar

Children who set fires can have an impact on our communities and first responders. This **FREE** one-day seminar will help explain the Youth Firesetter Intervention Team concept and gain a better understanding of why children sometimes set fires.

This workshop includes presentations from:

- Johnson County Mental Health
- Johnson County District Attorney's Office and Johnson County Court Services
- The University of Kansas Health System
- Mr. Don Porth –Retired Portland Fire and Rescue Education Specialist, Past President of SOS Fires, Executive Committee Member of the Youth Firesetting Information Repository & Evaluation System (YFIRES.com).

## Lunch On Your Own

Brought to you by the:

Youth Fire Intervention Team of Eastern Kansas

“Our mission is to preserve life and property by reducing youth firesetting and hazardous device incidents through intervention programs, education and referrals for youth and their families.”
